

Out of State Travel

(FY2017 Appropriation Act - Public Act 268 of 2016)

January 1, 2017

Sec. 217. The departments and agencies receiving appropriations in part 1 shall prepare a report on out-of-state travel expenses not later than January 1 of each year. The travel report shall be a listing of all travel by classified and 135 unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall be submitted to the senate and house appropriations committees, the house and senate fiscal agencies, and the state budget director. The report shall include the following information:

(a) The dates of each travel occurrence.

(b) The transportation and related costs of each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues.
