(FY2017 Appropriation Bill - Public Act 268 of 2016)

Not Less than 30 Days before the change takes effect

The amended Residential Foster Care Abuse-Neglect (RFCAN) master contract has been posted to the MDHHS public website in the Master Contract Templates section at:
http://www.michigan.gov/mdhhs/0,5885,7-339-71551_7199---,00.html.

Changes were made to the RFCAN master contract. The MDHHS non-discrimination statement is now applicable to all MDHHS supervised children. Therapy requirements have been revised to include the provision of individual therapy for youth receiving group therapy. All psychotropic medication consultations must be witnessed by the Foster Care Psychotropic Medication Oversight Unit and for state wards, the child's caseworker must be engaged in the consultation. Planned discharge services shall include coordination with youth's caseworker to make a referral to Community Mental Health for assessment and case management services. Identified timeframes in the Billing section have been revised to expedite payment issue resolution.
