

**Line Item Appropriation Department Estimates
Total Annual Expenditures Would Exceed Funds 5%**
(FY2020 Appropriation Act - Public Act 67 of 2019)

August 1, 2020

Sec. 251. On a monthly basis, the department shall report to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, and the state budget office on any line-item appropriation for which the department estimates total annual expenditures would exceed the funds appropriated for that line-item appropriation by 5% or more. The department shall provide a detailed explanation for any relevant line-item appropriation exceedance and shall identify the connective actions undertaken to mitigate line-item appropriation expenditures from exceeding the funds appropriated for that line-item appropriation by a greater amount. This section does not apply for line-item appropriations that are part of the May revenue estimating conference caseload and expenditure estimates.
