Section 677(2) – Report #2
(FY2017 Appropriation Act - Public Act 286 of 2016)

3. Current percentage of FIP cases that meet federal work participation requirement.

The federal work participation rate is based on a monthly review of a statistically valid sample of federally-funded active FIP recipients who have been referred to PATH and have completed the required FIP 21-day orientation. Reviews are completed by the MDHHS Office of Quality Assurance and Internal Control and the work participation rate is calculated per federal regulations. The current percentage of federally-funded FIP cases (meeting the above qualifications) that meet federal work participation requirements broken down by month for the 1st quarter of Fiscal Year 2017 is:

October 2016	66.98%
November 2016	63.01%
December 2016	61.96%

The year-to-date work participation rate through the 1st quarter of Fiscal Year 2017 (October 2016 – December 2016) is **63.98%** as of April 6, 2017. The FIP work participation rates are point-in-time rates subject to change based on receipt of verifications and review by the federal Department of Health and Human Services, Administration for Children and Families.

Please Note: The following table provides details regarding the data included for each quarterly report for Fiscal Year 2017. The MDHHS Office of Quality Assurance and Internal Control reports Work Participation Rate (WPR) on a three-month lag because of the rigorous methodology and testing required to calculate the data.
