Your filing frequency has been changed to Annual filing. Effective 01/01/2019 you will be required to file according to the schedule below. You must file a return, even if no tax liability is due.

Businesses that make retail sales or hire employees must register their business and file periodic returns to pay the sales, use, and withholding taxes due. Treasury sets a monthly, quarterly, or annual filing frequency based on the tax liability.

Below is your Sales Tax License. This license should be displayed in your place of business.

Treasury uses your Federal Employer Identification Number (FEIN) as your sales tax account number whenever possible. If you do not have an FEIN, Treasury has assigned you a 9 character account number beginning with "TR" and followed by a 7-digit number.

You should notify the Michigan Department of Treasury of changes to your business ownership, business address or federal employer number. You can complete these changes using Michigan Treasury Online (MTO) by visiting www.michigan.gov/mtobusiness. You can access your existing MTO account or you will need to register your business to begin using Treasury's electronic services.

Effective with the mailing of this license, Treasury will no longer mail multiple licenses for businesses with more than one location. You may photocopy the license below as needed, or you may access your MTO account to print additional copies.

Note: The expiration date for the sales tax license is changed to December 31 and coincides with the calendar year it is issued for.
