PI 18-20 Change 2, issued November 30, 2018

Background: The CV Program is a partnership between the MWAs and the Workforce Development Agency (WDA). The program is an initiative that promotes economic excellence and talent development by providing career pathways and wrap-around services to the structurally unemployed and the Asset Limited, Income Constrained, Employed (ALICE) population. The ALICE participants are individuals who are working yet still struggling to make ends meet or are one crisis away from poverty.

The WDA previously distributed \$7,000,000 in State-restricted funds for Fiscal Year (FY) 2018 through PI 18-20. An additional \$4,600,00 in FY 2018 was distributed through PI 18-20 change 1. An additional cost category was added to the Budget Information Summary (BIS) in PI 18-20 Change 2.

Policy: This policy extends the period from September 30, 2019, to September 30, 2020, and adds a quarterly reporting requirement.

The purpose of the quarterly report, Attachment A, is to obtain information regarding the Business Resource Networks (BRNs). The type of information sought is the number of BRNs, how many employers are participating, and the types of services being offered. The quarterly reports are due to the WDA no later than the 20th calendar day after the end of the calendar quarter. In the event that the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the due date. The first report is due July 19, 2019.

All other requirements and stipulations contained in PI 18-20 Change 2, issued November 30, 2018, remain in effect.

Action: The MWA officials shall prepare and submit the revised BIS contained in this policy within 30 days of the official date of this policy to:
